

Dear Prayer Partners,

Greetings to you and your families!

I, very thankfully, have been asked to return to Kenya (Dec. 2-12) and go into Uganda (Jan. 6-16) to help teach classes once again @ their respective CEF "Christian Youth in Action" teen training sessions. It is such a privilege and I am so thankful to be invited to return! Also, three teens are going with me from the Muskegon area to help in the training of the African teens to teach 5-Day Clubs in their respective countries. Jim is so supportive and I go with his blessings.

Would you please pray for Jim and I as I go?

1-Please pray for safety and health for the teens and I as we travel and go not only to Kenya but travel many hours over rough roads to go into Uganda.

2-Please pray for the training of the African teens that we would be a real blessing, a real help and a great encouragement to them. May we be used in a "Mighty Way for His Kingdom!"

3-Please pray for funding for this trip. I need at least \$2000 to go and Jim and I would so appreciate any gifts to help cover the many costs. Any gifts can be made out to CEF with a note designating it for the "Kenya and Uganda trip" and can be sent to:

CEF,
PO Box 973,
Mt. Pleasant, MI 48804.

Thank you!

We love you all!

For the great love of the children of MI and Kenya,
Cheryl and Jim Doan
